

TEN WAYS

COMCAST NBCUNIVERSAL SUPPORTS

ENTREPRENEURS

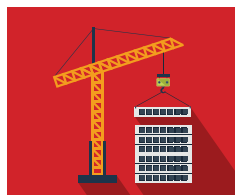

Comcast was a startup more than 50 years ago. Now, we are working to help the next generation of entrepreneurs make it big! Get involved today — email partner@comcast.com

1 Need resources? Email partner@comcast.com to learn how to get involved in any of these exciting Comcast NBCUniversal programs!

2 Building something big? Houzz. NextDoor. Jawbone. **Comcast Ventures** funds entrepreneurs who have ideas that disrupt industries and make lives better, helping you scale successfully—by putting the resources of Comcast NBCUniversal to work on your behalf.

3 Need support to get to the next level? **Comcast Business** hosts an annual Tech Week and *Innovations 4 Entrepreneurs* contest to offer valuable business advice and a chance to win funding to invest in your technology.

4 Have a business idea? Where opportunities fit with our business objectives, our **Strategic Development** team, as well as **NBCUniversal Media Labs** and **Comcast Innovation Labs** will connect your startup with the right points of entry in our company.

5 Need advice? Our network of experts is available to serve on panels and hold office hours and discussions at co-working spaces and entrepreneur-related events.

6 Want a tech partner for a business, civic, university, or community project? As a global media and technology company, our **Strategic Development**, **EveryBlock**, **NBCUniversal Media Labs** and **Comcast Innovation Labs** teams are always looking for new partners.

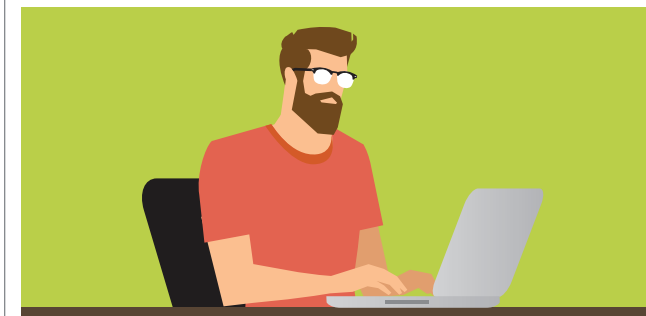

7 Looking for new customers? We power small business and incubators across the country. **Comcast Media 360** can help your company reach U.S. consumers through Comcast's family of brands.*

8 Want to join an awesome team? Our entrepreneurial spirit is growing! The new, 59-story **Comcast Innovation and Technology Center** is opening in Philadelphia in 2018 next to Comcast Center. Or, join our teams in New York City, Washington, D.C., Denver, Silicon Valley, Seattle or Los Angeles. Learn how you can operate like a small startup within the resources of a Fortune 50 corporation.

9 Want tips or faster tech? Get advice, tips and insights for startups and entrepreneurs through a network of contributors at the online **Comcast Business Community**.

10 Want to hack? We host and participate in "hackathons," encouraging experimentation and innovation—giving technologists the opportunity to hack away and win prizes, mentorship and more.
