

## Comcast Business Mobile Unveils New Unlimited Pricing Options

*New pricing and mix-and-match options enable small businesses to save even more on wireless bills*

**PHILADELPHIA – November 22, 2022** – [Comcast Business](#) today announced that [Comcast Business Mobile](#) customers are now able to mix-and-match from an expanded range of Unlimited data options and a variety of shared data options for up to twenty total lines per account. [Comcast Business Mobile](#) is designed to help small businesses be ready for today and whatever comes next with flexible data options, nationwide coverage with 5G, millions of secure WiFi hotspots, and savings.

Whether working from home or on-the-go, Comcast Business Mobile provides small business owners and their employees the ability to stay connected with flexible data options and a fast, reliable network. This includes taking advantage of the simplicity and savings afforded by having both Internet and mobile services provided by Comcast Business.

Comcast Business Mobile now offers customers even greater flexibility and the ability to address growing data usage needs with three new options for Unlimited data – Unlimited Intro, Unlimited Plus and Unlimited Premium. Comcast Business Mobile gives customers the freedom to build the best plan for their needs, even mixing-and-matching Comcast Business Mobile's straightforward data options across multiple lines. Eligible businesses could save on their wireless bill by switching to Comcast Business Mobile.

"Now more than ever, small businesses are looking for ways to increase productivity and reduce costs. Comcast Business Mobile's new Unlimited Data options provide these customers with greater flexibility and opportunities to save," said Bill Stemper, President, Comcast Business. "With the ability to expand to up to 20 lines and activate multi-line discounts, we're giving small businesses the ability to stay connected – whether in the office or on-the-go – and maximize value to their business and employees."

Comcast Business Mobile is compatible with the best phones, tablets, and watches; allowing customers to choose from today's most popular devices. Customers may also bring their own devices with no term contract required for mobile service.

Comcast Business Mobile is available exclusively to Comcast Business Internet customers in all of Comcast Business' service areas. To sign up for Comcast Business Mobile or to learn more, visit: <https://business.comcast.com/learn/mobile>.
