

Comcast Business Wins Fortinet's Managed Security Service Provider (MSSP) Partner of the Year Award

PHILADELPHIA – April 5, 2023 – [Comcast Business](#) today announced that it was named Fortinet's Managed Security Service Partner (MSSP) Partner of the Year. The Fortinet Partner of the Year Awards recognize dedicated and distinguished partners and distributors around the world. Fortinet's channel partners play a critical role in helping Fortinet secure users, devices, applications, and edges everywhere.

Fortinet's MSSP Partner of the Year exemplifies innovation, growth, and strategic business alignment with Fortinet. These partners demonstrate increased services adoption across the Fortinet Security Fabric – starting with FortiGate Next-Generation Firewalls (NGFW) and expanding into solutions such as Secure SD-WAN, FortiSASE, Zero Trust Network Access, FortiEDR, and Secure SD-Branch.

“Comcast Business is proud to be recognized by Fortinet as their 2022 MSSP Partner of the Year. Together, Comcast Business and Masergy offer a full-suite of global secure networking solutions that deliver superior connectivity, advanced security, and future-ready intelligence and insights,” said Bob Victor, Senior Vice President, Customer Solutions, Comcast Business. “This award further demonstrates the depth and breadth of the technology partnerships we have, and the commitment we take to our partner relationships. We are thrilled to receive his recognition by one of the largest security and networking providers in the world.”

About Comcast Business

Comcast Business offers a suite of Connectivity, Communications, Networking, Cybersecurity, Wireless, and Managed Solutions to help organizations of different sizes prepare for what's next. Powered by the nation's largest Gig-speed broadband network, and backed by 24/7 customer support, Comcast Business is the nation's largest cable provider to small and mid-size businesses and one of the leading service providers to the Enterprise market.
