

Nirvana Soul Coffee Serves Up Success with Comcast Business Technology Solutions

Comcast Business Celebrates Small Business Month with complimentary coffee or tea (up to \$10) for the first 400 guests at Nirvana Soul Coffee in San Jose, CA on May 22

San Jose, CA – May 21, 2026 – To celebrate Small Business Month, [Comcast Business](#), the largest connectivity provider to small businesses in the U.S., is inviting locals and visitors to Nirvana Soul Coffee in San Jose, CA on May 22, starting at 7:00 a.m. PT. The first 400 customers will receive one complimentary coffee or tea (up to \$10).

The promotion is part of Comcast Business' ongoing support of the culture-forward coffeehouse. Comcast Business provides Nirvana Soul Coffee with Internet, mobile, and entertainment solutions that power daily operations and support a seamless customer experience. With fast, reliable connectivity and built-in cybersecurity, Nirvana Soul Coffee serves as a go-to space for remote workers, students, and the broader San Jose community.

"Technology plays a big role in creating the experience our customers count on," said Dapo Ashaolu, Co-Owner of Nirvana Soul Coffee. "Comcast Business helps us stay connected and reliable so our guests can work, meet, and spend time together. That dependability allows us to focus on building a space where culture and community come together."

Founded in San Jose, Nirvana Soul Coffee has built a loyal following as a community-centered coffeehouse known for its welcoming, culture-driven atmosphere. As the business has grown, it has remained committed to creating a space where customers can gather, work, and connect – powered behind the scenes by Comcast Business Internet, guest WiFi, and a reliable network that helps keep operations running smoothly.

"We're proud to support Nirvana Soul Coffee as their technology partner, helping power the connected experience their customers count on every day," said Alan Goldsmith, Vice President, Comcast Business, California Region. "More small businesses are powered by Comcast Business than any other U.S. provider, and moments like this are our way of giving back to the communities where we live and work."

Across communities throughout California, Comcast provides Internet, mobile, and entertainment through [Xfinity](#) to residents, while providing connectivity, networking, cybersecurity, mobile, and managed solutions to businesses through [Comcast Business](#).
