

## COMCAST BUSINESS CLOSES MASERGY ACQUISITION

**PHILADELPHIA – October 8, 2021** – Comcast Business today announced it has completed its acquisition of Masergy – a Plano, Texas-based pioneer in software-defined networking (SDN) and cloud platforms for global enterprises. The acquisition accelerates Comcast Business’s growth serving large and mid-size companies, particularly U.S.-based organizations with multi-site global operations and bolsters its overall channel distribution strategy.

“We’re very pleased to have closed on our acquisition of Masergy and are excited to officially have their outstanding employees and leadership as part of the Comcast Business family,” said Bill Stemper, President, Comcast Business. “This deal fortifies our channel distribution strategy and redoubles our commitment to the channel partner community. The combination of our teams and complementary service portfolios will enhance the value we bring to large and mid-size companies worldwide.”

With over twenty years’ experience and innovation in managed network, cloud, and security services, Masergy has more than 1,400 customers in nearly 100 countries worldwide. The combination of Comcast Business’s leading advanced network and Masergy’s innovative services will enable Comcast Business customers to manage their international operations and networks more efficiently.

“On behalf of everyone at Masergy, we are thrilled to officially join the Comcast Business family and are extremely excited as we chart the future of Masergy together,” said Chris MacFarland, Chairman and CEO, Masergy. “Our customers and partners can expect the same industry-leading customer experience and will benefit from accelerated innovation as part of Comcast Business.”

Financial terms of the acquisition were not disclosed.
