BLOCK 14 CONTINUATION PAGE

The purpose of this modification is to incorporate Revolutionary Federal Acquisition Regulation (FAR) Overhaul (RFO) and Revolutionary GSA Acquisition Regulation (GSAR) Overhaul (RGO) updates into the contract, as implemented through applicable GSA Class Deviation(s), including regulatory updates implementing Executive Order (E.O.) 14398, Addressing DEI Discrimination by Federal Contractors.

1. The contract has been refreshed in its entirety to reflect the RFO and RGO changes implemented through the applicable GSA Class Deviation(s), including updates associated with E.O. 14398. Each contract section has been reissued to ensure alignment with these changes. This refresh also removes obsolete and outdated language and references, revises and modernizes existing contract text, incorporates new provisions and sections as necessary, and aligns the contract language and structure with current regulatory framework. Sections with no substantive changes have also been reissued as part of this full contract refresh. Sections reissued under this modification supersede and replace the corresponding prior versions of those sections in their entirety.

2. The changes under this modification apply to all existing and future orders issued under this contract.

3. These changes are incorporated on an interim basis pursuant to the applicable GSA Class Deviation(s). Upon codification of the applicable model deviation text in the FAR and GSAR, the codified FAR and GSAR text shall automatically supersede the deviations and be considered permanently incorporated into this contract. No additional contract modification will be issued for this purpose.

4. The estimated total dollar value of the contract remains unchanged.

5. Except as provided herein, no other changes are made or implied. All prices, terms, and conditions of the contract remain unchanged and in full force and effect.
